

3 NEW QUALIFICATIONS AFTER THE PRIX D'AMERIQUE RACE ZETURF QUALIF #2

Like the first qualification race three weeks ago, QUALIF#2 offered a lot of suspense, though it happened to be linked to the start of the race. On arrival, **Face Time Bourbon**, huge favorite, won the race easily without any surprise. **Victor Ferm**, second, and **Moni Viking**, third, are both also qualified for the main races : Prix d'Amérique Races ZEturf Prix d'Amérique, Prix de France et Prix de Paris.

Though **Face Time Bourbon** galloped a bit at the start, **Björn Goop** succeeded wisely to put him back in the right pace. The five year old horse added today a **27th victory** to his impressive record. He will be back on track on the 27th of December for the QUALIF #4, before chasing a second win in the Prix d'Amérique Legend Race.

The next round will now be on Sunday 27 December for QUALIF#3 & QUALIF#4. Only the winner of each race will be qualified for the main races starting from January 31.
