PRIX D'AMERIQUE RACES ZETURF - QUALIF #1 : A BRILLIANT KICK OFF

Official launch for the Prix d'Amérique Races ZEturf **Sunday 22 November** at **Paris Vincennes** with the **QUALIF #1 race**, *Prix de Bretagne*. The first three horses at the finish will qualify for the top three races of the winter: PRIX D'AMERIQUE Legend Race, PRIX DE FRANCE Speed Race, PRIX DE PARIS Marathon Race.

No doubt, this first qualification race promises to be magnificent. First class trotters will be gathered for a high-flying competition on the mythical cinder track of Paris Vincennes. All of them may rightfully pretend to win the precious sesame. The fight of the 18 best horses in their category will be a grand racing moment.

Among the key players,, we find the three horses trained by Jean-Michel Bazire: **Davidson du Pont**, title holder for the last two years and second of the 2020 Prix d'Amérique ; **Looking Superb**, third of the Prix de Bretagne last year and **Valzer di Poggio** with an impressive series of 11 wins on-end. Sébastien Guarato has also entered three of his protégés : **Billie de Montfort**, **Carat Williams** and **Tony Gio**, all with a beautiful track-record. **Hudson River**, the above mentioned **Valzer di Poggio**, as well as **Calle Crown** and **Moni Viking** will be there to confirm the international status of the race. The younger ones **Féerie Wood**, **Fakir du Lorault** and **Feliciano** might also play a major role. **Diable de Vauvert**, **Drôle de jet**, **Délia du Pommereux** and **Bahia Quesnot** have their fans. With such a high quality casting, the motto of the day "Anything is possible" fits perfectly with the 2020 QUALIF #1 version of the Prix d'Amérique Races ZEturf.

In view of the current sanitary constraints, races are not held in public at Paris Vincennes racecourse. Various options are proposed to remote race fans wishing to follow the race live:

The QUALIF #1 race can be followed live on **RMC Découvertes** from 3.10 pm.

Equidia developed various new contents throughout all the week-end for the occasion. To be followed on Equidia and equidia.fr

Canal Turf is broadcasting a special talkshow throughout the meeting including tips and debates on canalturf.com.

Initiated last June on the occasion of the Prix du Président, the operation **Hippodrome à distance** will provide the opportunity to Zoom-connected race fans to be present on the giant screen of Paris-Vincennes and to encourage their favorites. Through this exclusive device, jockeys and drivers will thus actually see their supporters and feel their passion.
