

PRIX D'AMÉRIQUE RACES ZETURF : 2 NEW QUALIFICATIONS AFTER QUALIF#3 & QUALIF#4

QUALIF#3: GU D'HERIPRE WINS HIS TICKET FOR THE #LegendRace

Gu d'Héripré scored a double in QUALIF#3. **Franck Nivard**'s partner won his very first classic race and won the precious sesame for the three main races Prix d'Amérique Races ZEturf : Prix d'Amérique Legend Race, Prix de Paris Speed Race and Prix de France Marathon Race.

While Green Grass missed his start and lost its chance to win the race immediately, Guzz Mearas turned up to be the fastest and led the race up to the top of the climb. Romain Durieux's protégé was first right after the last turn but he could not prevent Goldy Mary and especially Gu d'Héripré, who advanced very quickly, from winning the race.

Franck Nivard commented: « We have a very good horse for the Prix d'Amérique Legend Race. The weather was very bad, so I wasn't that confident, and I had to step back during the main part of the race. He succeeded in getting up to the first position by himself. He is a great horse and he is becoming more and more reliable ».

Gu d'Héipré signed up its 7th Group Race success, ahead of **Goldy Mary** (second) and **Go On Boy** (third).

QUALIF#4 - FÉRIE WOOD RETRACES THE FOOTSTEPS OF EXCELLENT

Like his boxes' neighbour Excellent did last year, Féerie Wood shines in QUALIF#4 and wins his second Group Race.

A hundred meters before the end of the race, Féerie Wood, driven by Alexandre Abrivard and trained by Laurent Abrivard, took the decisive advantage leading to victory.

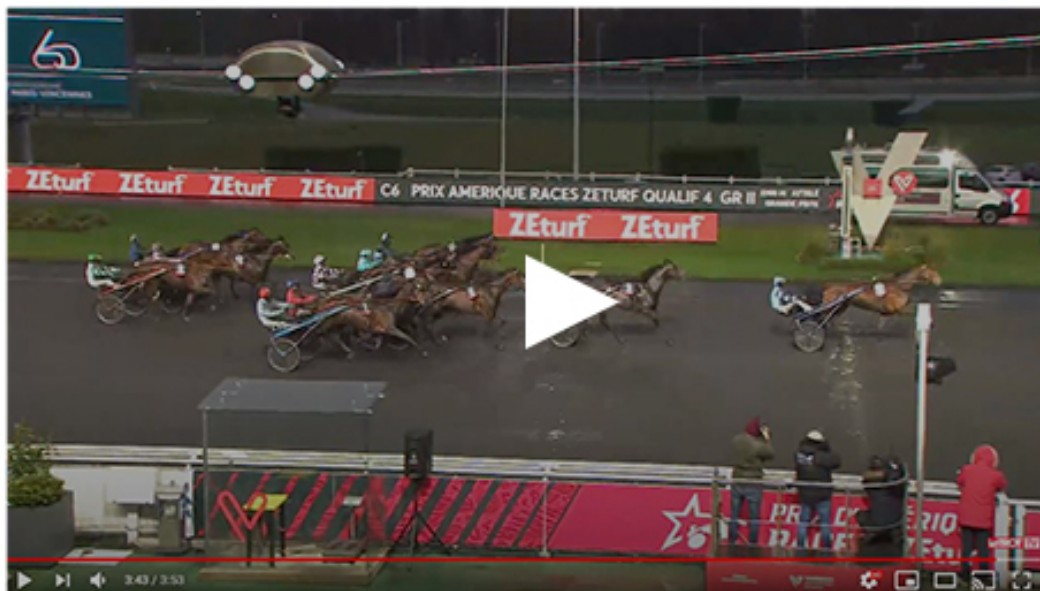

« It is not a surprise to see her win at such a level of competition », commented her driver after the race. « During QUALIF#1, I could not find the right way and she was defeated in the straight line. But today, everything went perfectly right from the start, it's a beautiful victory »

Feydeau Seven arrived in second position and **Rebella Matters** third.

The next round will now be on **Sunday 3 January** for QUALIF#5.
