

**PRIX D'AMERIQUE RACES ZEturf QUALIF #2
GUEST STAR : FACETIME BOURBON**

After a brilliant kick off, three weeks ago, the competition Prix d'Amérique Races ZEturf, opens unto a new dimension with the QUALIF #2 race, on Sunday 13 December, at Paris-Vincennes. The champion **Face Time Bourbon** will line up at the start against 15 fearsome opponents. The presence of the winner of the Prix d'Amérique 2020 is raising overwhelming enthusiasm.

His victories were gained with incredible facility and dazzling images of beauty. He started in 31 races and won 26 of them, among which 11 Group I, the highest level of competition. His exceptional speed capability has taken him to the speed record on the mythical track of Paris-Vincennes. His name is **Face Time Bourbon**. He is determined to enter the legend of Trotting on a path that should take him to a second consecutive victory in the Prix d'Amérique Legend race on Sunday 31 January 2021. In the meantime, the five-year-old phenomenon will pursue his preparation with the Prix d'Amérique Races ZEturf QUALIF#2. Trainer Sébastien Guarato told the Media that **Face Time Bourbon** was in top form.

His 15 talented opponents will try hard to unsettle him. Their objective is to obtain one of the first three places at the finish since this would ensure them qualification for the three main races. **Diable de Vauvert**, **Feliciano** and **Bahia Quesnot**, the three horses qualified after the first qualifying race on November 22 will not be at Paris-Vincennes on Sunday. An opportunity for **Fakir du Lorault** and **Carat Williams**, respectively 4th and 5th three weeks ago?

Jean-Michel Bazire has entered three horses: **Valzer di Poggio**, **Victor Ferm** and **Davidson du Pont**. Also worth mentioning is **Delia du Pommereux**, double winner of that same race. All in all, a five-star cast that announces an exciting battle!

HOW TO LIVE THE DAY FROM A DISTANCE?

In view of the current sanitary constraints, Sunday races will take place without public at Paris-Vincennes.

However, race fans will have the opportunity to live the event, as of Friday morning, through exclusive and immersive connected experiences.
