

PRIX D'AMÉRIQUE RACES ZETURF QUALIF #6

FEYDEAU SEVEN, WINNER OF THE FINAL EPISODE

The **Qualif#6-Prix de Belgique**, the last chance to qualify for the **Prix d'Amérique Legend Race ZÉturf**, has designated his champion : Jean-Michel Bazire drove his new trainee **Feydeau Seven** to victory in the last qualification race of the Prix d'Amérique Races Zeturf.

The final curtain will rise soon. The last act of the qualification races for the Prix d'Amérique Races ZÉturf was staged this afternoon, offering the convincing victory of a new comer: **Feydeau Seven**, driven, trained and bred by Jean-Michel Bazire. Following his masterly first place in the Prix de Lille last week, Feydeau Seven has thus achieved a superb leap forward in his career. After a brilliant 2021 European season, the Prix de Belgique is his first win in this category. Definitely a successful bet for his mentor in a race where Davidson du Pont, who was in a position to win, broke into a gallop in the last stretch.

An excellent finisher, **Diable de Vauvert**, has obtained his best result of the winter season. He finished an unquestionable second after a dazzling effort in the last meters, thus qualifying for the Finals as did **Rebella Matters** with a third place again, as in the Prix d'Amérique races Qualif#2 Prix du Bourbonnais. **Gu d'Héripéré**, one of the favorites, failed in his attempt, which is making things difficult for him for the Prix d'Amérique Legend Race in two weeks' time.

It is worth pointing out that the two champions who won the first qualifications, **Face Time Bourbon**, twice winner of the Prix d'Amérique, and **Etonnant**, did not take part in the last qualification race.

After this last Qualif, 11 horses are now in a priority position for next Sunday 30 January.
