

PRIX DE BOURGOGNE - AMÉRIQUE RACES PMU Q#5 : FULL SPEED AHEAD FOR THE CHAMPIONS

The year 2023 will end on a high note at the Paris-Vincennes Hippodrome. The most talented trotters will fight a tough battle in the **Prix de Bourgogne - Amérie Races PMU Q#5**. With less than a month to go before the **Prix d'Amérique Legend Race**, podium places will be worth their weight in gold. Racegoers can expect a demanding, high speed race synonymous with record setting!

18 competitors will set off behind the autostart wings for a journey of 2,100 metres on Sunday 31st December at Paris-Vincennes. They will be aiming for one of the top three places in the **Prix de Bourgogne - Amérie Races PMU Q#5**, synonymous with qualification for the Finals of the **Amérie Races PMU** competition. These three coveted Group I races are the **Prix d'Amérique Legend Race**, the world harness championship on 28th January, the **Prix de France Speed Race** (11th February) and the **Prix de Paris Marathon Race** (25th February). **Hussard du Landret**, **Hooker Berry**, **Hokkaido Jiel**, **San Moteur**, **Izoard Védaquais**, **Gu d'Héripéré**, **Idao de Tillard** and **Jushua Tree** have all earned the precious sesame in the previous qualifying races.

Who will join them at the end of the **Prix de Bourgogne**? **Ampia Mede SM**, the specialist of the race, is gradually gaining strength after several months rest. With a 4th place in both the qualifiers #1 and #2, the Fabrice Souloy-bred contender clearly has what it takes to reach victory. Let's not forget that she brilliantly won the **Prix de France Speed Race** and the **Prix de Paris Marathon Race** at the start of the year. The Italian-born mare was beaten only by **Hooker Berry** in the **Prix d'Amérique Legend Race**. Jean-Michel Bazire's protégé will be back in action on Sunday. With a string of continuous, strong performances, he is still the one to watch. **Hohneck** also distinguished himself at the highest level in 2023. The Philippe Allaire-trained champion shot to fame by winning the **Elitloppet**, the Swedish equivalent of the **Prix d'Amérique Legend Race**. This superb achievement, together with his impressive track record and his ability to run at speed, will win him many supporters.
